

## LEADERSHIP/EXECUTIVE COACHING SESSIONS

### THE POWER OF EXECUTIVE COACHING

As a leader, in your company you're expected to stay sharp, and operate at a high level. Senior leaders like you often stand alone at the top, however, they are the ones who need the most support – in fact, it's an urgent necessity. Having a thought partner, a mentor, or a coach to process with has been recognized as a business leader's most valuable resource.

The fact that 84% of Fortune 500 companies, 90% of Fortune 250 companies, and 96% of Fortune 100 have Executive Coaching and Mentoring Programs in place speaks for this value.

By walking with a coach, mentor, or accountability partner, you not only invest in your personal growth but also enhance your ability to lead others effectively.

**"This training was transformative! We have made changes to how we lead our teams, specifically those in this younger generation. Steve has given us the tools to lead more successfully!" – Morne van Staden, Founder/CEO, Journey Coffee**

### SESSION FOCUS

These personalized, one-on-one sessions with the leader/s at the executive or managerial level are proven to elevate and escalate growth within the organizational team and well as an unintentional, but natural overflow into their personal lives.

### SESSION FORMAT

This is typically a 6-month commitment, with individual coaching sessions taking place twice per month. Our approach focuses on coaching and challenging leaders in ideation, prioritizing, accountability, and leading better in the organization.
